Shaping London's Libraries

Aims:

- Define a strong identity for London Libraries
- Deliver a strategic business plan with clear priorities

Outcomes:

- Align the network with the strategic direction of key stakeholders
- Unlock potential of CSR
- Help make the case for investment across the network
- Maximise funding potential through untapped opportunities and partners.

Shaping London's Libraries

Our Approach and Methodology:

Timeline: September 2025 – end March 2026

- Desk review
- Consultation
- Drafting of the final plan

Shaping London's Libraries

Workshop session: Scanning the future horizon - ideating our priorities

Each table to:

- Agree a scribe
- Discuss the question on your table, note key insights and be prepared to feed these back **very** briefly to the room.

You only have 15 mins!

Shaping London's Libraries

Help us shape this work for you.

We need representatives to join the project's steering committee and to join themed focus groups:

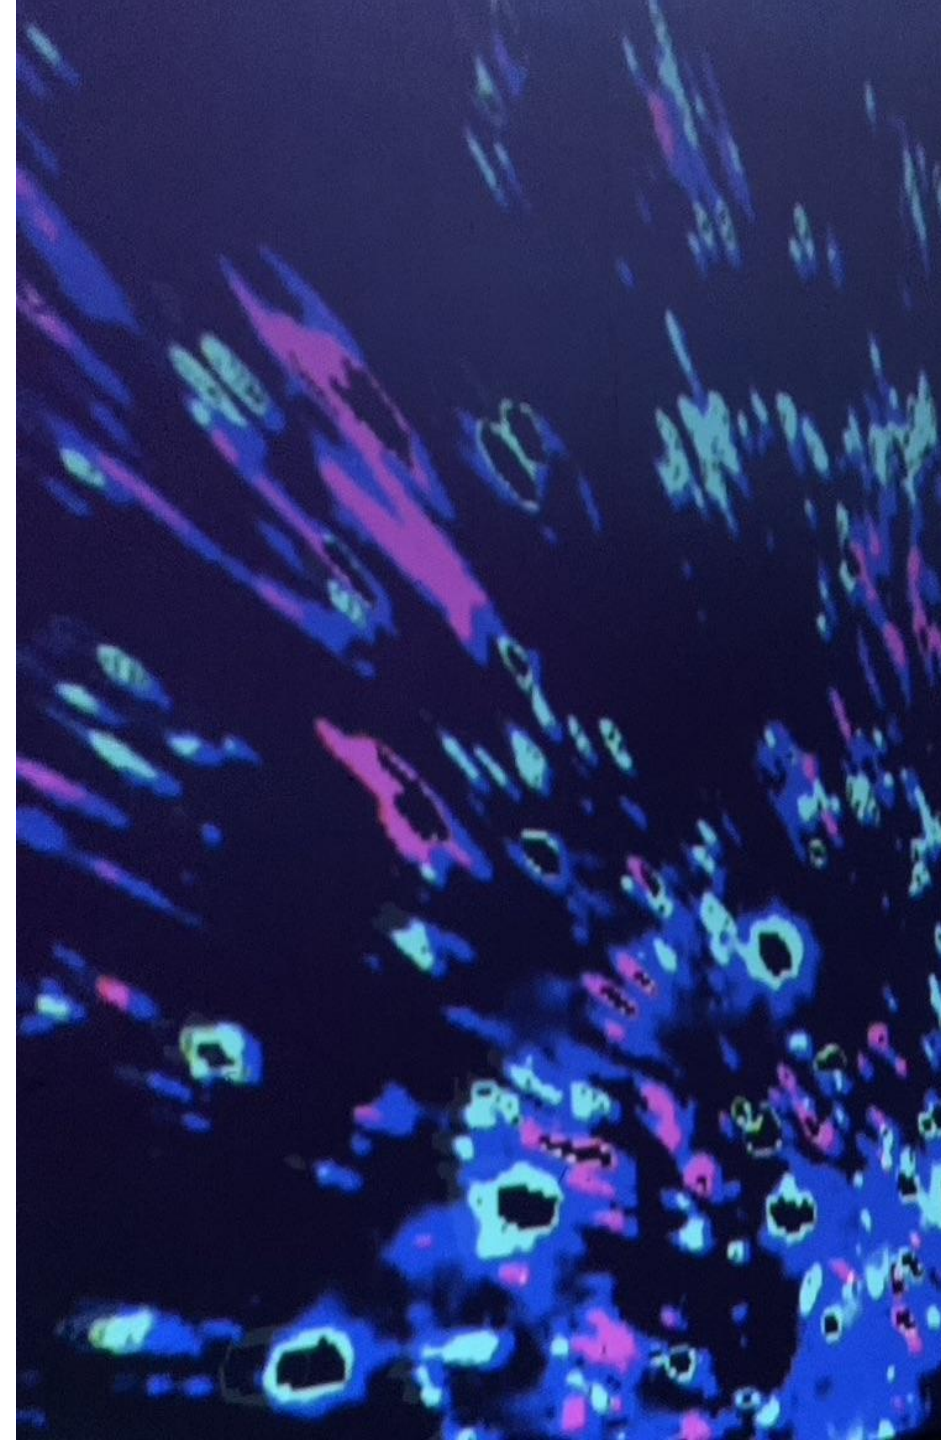

Thanks!
